<p>Description:</p> <p>The program decrease results from a one-time add in FY 2018 of \$10.0 million for near term requirements to protect critical facilities, assets, and mission from Unmanned Aircraft Systems (UAS) threats. Funding supported capability development of a Counter-Unmanned Aircraft Systems (C-UAS); documentation; operating concepts development; system and operation integration; employment tactics, and training at a Pentagon site.</p> <p>This FY 2019 budget request funds procurement of physical security vehicles assigned to missions in high threat OCONUS locations. Request reflects the life-cycle replacement cost for one Commercial Heavy Armored Vehicle (CHAV) that supports the Secretary of Defense, Deputy Secretary of Defense, and OSD Senior officials providing a secure and reliable ground transportation capability. CHAVs are armored to various levels of protection and are on platforms of varying sizes and gross vehicle weights, dependent upon the level of threat and the operating environment. In addition to the CHAVs request, the line item includes life-cycle replacement cost of information technology (IT) equipment which directly supports the mission of the Washington Headquarters Services White House Military Office (WHMO) that provides essential services to the President that helps to maintain continuity of operations (COOP).</p> <p>Justification:</p> <p>The FY 2019 budget request reflects the life-cycle replacement cost for one Commercial Heavy Armored Vehicle (CHAV) that supports the Secretary of Defense, Deputy Secretary of Defense, and OSD Senior officials. The CHAVs provide a secure, protective and reliable ground transportation capability for the Secretary and Deputy Secretary of Defense. Budget request also includes the modernization and life-cycle refresh cost of major information technology (IT) systems which are required to support the business and operational requirements of the Washington Headquarters Services White House Military Office (WHMO).</p>

Description: * Indian Financing is listed as P-1 line number 46-1 because it is not showing on the P-1 and falls under WHS. The FY 2017 approved conference report did not include language in support of funding of \$15.000 million for Indian Finance. Prior approval reprogramming FY17-20 PA for Indian Financing Act did not transfer in the accounting system prior to lock for the end of the FY 2017 actuals, however funds have been received and are executing in FY 2018. The DOD Indian Incentive Program (IIP) is authorized by Section 504 of the Indian Financing Act of 1974 (U.S.C 1544). In 1989, Congress began providing annual funds through the DOD Appropriation Act for the DOD Indian Incentive Program. The program motivates prime contractors to utilize Indian organizations and Indian-owned economic enterprises by providing a 5% rebate on subcontracted work performed by those companies that fall into the following categories: Federally Recognized American Indian Organizations, Indian-Owned economics enterprises and small businesses owned by members of recognized tribes, Alaskan Natives or Native Hawaiians. Through the generation of subcontracts to the above mentioned entities, the IIP fulfills its purpose as an economic multiplier for Native American communities.												
Justification: The FY 2017 approved conference report did not include language in support of funding of \$15.000 million for Indian Finance. Approval for reprogram of the Indian Financing Act was delayed therefore the impact for duty was delayed, however funds have been received and are executing in FY 2018. The Office of Small Business Programs did not process rebate requests in 2017 to contractors for utilizing Native American firms. However, it plans to process between 120 and 150 rebate requests in 2018.
